FOR ANIMALS TRAINING SERVICES AGREEMENT

I/We _____ (herein after referred to as "Client") have voluntarily employed LEEA FORAN (herein after referred to as "Consultant") to assist me in the training of my dog(s) _____.

Client understands that the Consultant will meet with them for a one-hour consultation as a way to get to know one another, address your specific needs and goals and begin the training process. Following this consultation, one-hour sessions will be scheduled in a timely fashion to accomplish the training goals set out during the consultation.

I understand that the Consultant will work directly with me and my pet to impart contemporary animal behavior knowledge that best fits our needs, and that successful companion pet programs depend on a combination of learned skills on the part of the pet and owner. Behavior is not static; an animal will not continue to perform even trained behaviors without ongoing practice. Especially in cases involving any type of aggression, although behavior may be modified, the dog is never considered "cured." A pet's behavior is ultimately the owner's responsibility. The Consultant will make every reasonable effort to outline the steps necessary for the Client to take in order to attain the goals but makes no guarantees of performance on the part of Client or pet as a result of providing professional animals behavior consultation.

Client acknowledges that obedience training/behavior modification may be an activity in which damage or injury to dog(s) and/or persons may occur. Client will assume full financial/moral responsibility for the actions of their dog(s). Client further acknowledges that dog(s) may be exposed to a variety of environmental conditions which include, but are not limited to, vehicular travel, interaction with people and other animals, exposure to adverse weather, and exposure to areas with crowds and all types of traffic.

Client agrees that our heirs, assignees and legal representatives will not make claim against, sue, or attach the property of Consultant, her family, acquaintances, or any other person acting on her behalf (herein referred to as "Her Agents"), for injury or damage done to or by their dog(s), resulting from actions or negligence, however caused, by Consultant or Her Agents. We Client forever release Consultant and or Her Agents from any and all liability and demands which we Client, and our heirs, assignees and legal representatives may have or may hereafter have for injury or damage to or by our dog, and assume all risks thereof.

Client and Consultant hereby agree to mediate and/or arbitrate any misunderstanding that may arise pursuant to the terms contained herein. In any action or proceeding arising out of this agreement, the prevailing party shall be entitled to reimbursement of costs and legal fees.

This Agreement for Training Services supersedes all other agreements, written or oral, previously made between Client and Consultant.
